**Notice Regarding the Revision of Financial Results for FY2009**  
**in Response to Subsequent Events**

Funai Zaisan Consultants Co., Ltd. (“the Company”) notifies that it has revised its financial results for the fiscal year ended December 2009 (FY2009) announced on February 12, 2010 based on the reasons below:

**Description**

**<Reasons for revision>**

On February 15, 2010, the Company announced the cancellation of the launch of ADVANTAGE CLUB Jingumae (A real estate joint-ownership program based on Japan's Real Estate Specified Joint Enterprise Act). In that announcement, the Company expressed its intent to sell the Harajuku Royal Building to a single client.

With respect to that sale, the Company consulted with the auditor Tohmatsu for two reasons: 1) It was controversial whether or not the sale of the actual property would be recorded as a subsequent event, and 2) Several consulting contracts related to the sale of the property, including comprehensive consulting contracts to the buyer of the property, as well as the contracts regarding the purchase the actual property, would be concluded.

Today (March 8, 2010) the Company is announcing that it has confirmed with Tohmatsu that only losses occurring from the actual sale of the real estate should be reflected on consolidated and non-consolidated financial statements for FY2009. Consequently, the Company posted ¥440,000,000 as the cost of land for sale, as well as to post equivalent amount of operating income, ordinary income, income before income taxes and net income.

The Company has additionally prepared a performance forecast for FY2010, announced in “Notice regarding the Revision of Financial Results Foreccast for FY2010” which emphasizes transactions related to the Harajuku Royal Building and revisions for FY2009 financial results.
