

March 28,2011

Immediate release

Funai Zaisan Consultants Co.Ltd. (code:8929)

President Masazumi Hasumi

New web site “Real estate investment opportunities in Japan”

To accommodate with real estate investment demands from overseas high net worth individuals especially those from Asia, we have established the above said new site to cover in English and Chinese version of Tokyo metropolitan real estate investment list along with market review by our real estate division and also covering basic contractual obligations and terms and taxable issues. To meet with demands we also set up bilingual staffs for this new line of business.
